Re: PSC Case 14-M-0183. Time Warner Cable Inc.'s January 16, 2015 Response to the January 9, 2015 Determination of Appeal Regarding the Appeal of an Administrative Law Judge's FOIL Determination.

Dear Mr. Norlander and Ms. Helmer:

The Determination of Appeal in the above referenced matter, dated January 9, 2015, stated that Exhibit 46 would be disclosed in its entirety to Mr. Norlander in 15 days unless Time Warner Cable, Inc. (Time Warner) made the required further showing of "trade secret."

In response, by letter dated January 16, 2015, Ms. Helmer indicated that Time Warner would not be requesting "any further redactions to the build-out information in Exhibit 46 as the majority of the projects listed in that Exhibit have been completed."

Inasmuch as the 15-day period has elapsed, and Time Warner has affirmatively stated that it no longer opposes the disclosure of the exhibit in a non-redacted form, enclosed herein is a copy of Exhibit 46 submitted by Time Warner in the above proceeding, as requested by Mr. Norlander pursuant to the Freedom of Information Law.

Sincerely,

Kathleen H. Burgess  
Secretary
